## CORRESPONDENCE.

Clips from Clyde.

Mrs. EDITOR:—I have been led to believe that the Flint & Pere Marquette Railroad Co. is a first-class concern and far superior to the old narrow gauge railroad, but judging from the looks of the old "Gray Crow Bait" driven by the engineers between Mill Creek and Port Huron, a person would suppose the company was pretty hard up. Monkey town is a rather hard place but the old gray mare is the hardest looking piece of horse flesh ever seen there.

A Citizen of Clyde.

Roseburg and Roundabouts.

Sickness is quite prevalent among the young children of this burg.

The Roseburg Cheese Mfg Co. have shipped their July make of Cheese.

While threshing at John Aikens the other day, James Sibbald accidentally cut John Hewitt's hand.

Quite an excitement in town on Friday last over a runaway. Mr. Beamer living west of this place, was starting east when the team got scared and broke the bits, running 2½ miles doing damage to himself and wagon.

COME.

Vapor from Valley Centre.

Dougal Campbell is digging a well on his premises.

Mrs. Garnsey is entertaining relatives from Detroit.

E. S. Black is painting and otherwise remodeling his house.

Mr. and Mrs. W. H. Bonfoy, of Brown City, were in the village Monday.

Mrs. T. J. Sullivan left here some time since to join her husband at the "Soo."

O. A. Tuck is going to buy grain. He has already hired a clerk to attend to the store.

Mrs. Raymond went to Yale, Monday to see her daughter, Mrs. F. A. Kyes, who is ill.

Dougal Campbell, the blacksmith, rejoices in the arrival of a son and heir at his home.

Section men were working Sunday getting the track in readiness for the standard gauge cars.

W. Weeks received the appointment of postmaster at this place. The post-office will be moved shortly.

After an extended visit with friends in Canada and Detroit, Mrs. Hodgins has returned to her home here.

Mr. Cook, a farmer living east of here, fell from a load of grain on Saturday severely injuring his head and shoulders. He was seriously hurt, but is a little better at present writing. Dr. Lister, of Brown City, is the attending physician.

Much from Melvin.

Michael Leonard is very ill. His recovery is doubtful.

John Mutart's brother, of Toronto, Ont., is visiting him at present.

Mrs. T. Trainor is visiting with her mother in Lapeer for a few months.

John Coonan's child, which was reported sick in our last, has since died.

Eli Smith, who has been living in the vicinity of Chayenne, has moved back to this place.

Mr. Finnigan, of Bay City, formerly of Elk Township is talking of locating at this place and going into business. A saloon or drug store.

Mrs. John Kerrigan was called to the bedside of her sister in Toronto last week, who was quite sick, but did not reach there in time to see her alive.

Rev. H. DeGryse, of Kalamazoo, successor to Rev. Dennison on this charge spoke to a very large congregation last Sunday at the Speaker church.

John Vannest, of Brown City, and Miss Ella Hardy were married last Thursday at the residence of the bride's father, Mr. Hardy, in this place. They took the evening train for Detroit and places. We wish them much joy and may all their troubles be little ones.

Mrs. Geo. Windsor, who has been battling with that dread disease, consumption, for several months died last Wednesday. The funeral was held from the Melvin church on Friday to the Speaker cemetery where the remains of the deceased were interred. Rev. Morton officiating. Mr. Murray and family have the sympathy of the entire community in their great trouble as the deceased is the third one out of the family, who have been carried away by this disease, and Minnie their next daughter is very ill. Our sympathies are also extended to the young husband George Windsor, who was only married about two years.

We are sorry to note the sad intelligence received from Pineconing that May, daughter of Mr. and Mrs. George Weston died last Sunday. The family have the sympathy of their many friends in this place and Roseburg where they formerly lived.

Rev. J. M. Crandall preaches his farewell sermon on Sabbath evening next, after a pastorate on this circuit of three years. He was had a warm call to remain but it is not likely he will accept. He has also had a call from Leonard, Oakland Co., where he soon goes to attend the M. P. annual conference. Mr. Crandall has made many friends in this place and if he goes it will be with the respect and best wishes of all. The church society has been very prosperous under his careful management and he will be greatly missed.

The Minden City Post, Marion Monitor and Sanilac County Republican have been amalgamated and will after the first of September be issued at Sandusky as the Sanilac County Republican. O'Keefe and Babcock having sold out to Messrs. English and Dillon, who will run the new sheet. This movement leaves the newspaper field in the northern part of the county in much better shape.—P. T. Sanilac Star.

Interesting (?) Information.

The following clippings from a recent issue of the Port Huron Commercial-Tribune is the Yale correspondence to that paper. The nature of the items strongly suggest their author:

"W. W. Cowing has removed his law office upstairs two doors south of the post office. He thinks it will be safer for records and his library in a brick building."

"Miss Davis, of Detroit, is visiting at W. W. Cowing's."

"We have another paper now—the Yale Progress. May success attend the enterprise that was much needed in this place."

We might easily help the author out in his description of the locality above, but hardly think it necessary. No doubt the county at large are considerably edified by above intelligence.

We understand that yet another newspaper will soon be started in this place. It will be named the "Yale Kicker." "May success attend the enterprise that is so much needed in this place."

# While in Harvest!

The farmer is often reminded that a Wagon that can be depended upon at all times is a treasure indeed. We wish to remind the farmers of Eastern Michigan that

## THE CELEBRATED STUDEBAKER WAGON

is the only wagon that has stood the test of years, in spring time and harvest. The Studebaker Slope Shoulder Spoke is strongest where the square tenon is weak. The spokes, being first prepared with glue are driven into place with a powerful machine spoke-driver, and will never rattle or become loose. The axle boxes are pressed into the hubs by a 100-ton hydraulic press. With patent cast sandage patent steel skeins, truss axle, patent oval-edged tire, woodwork after years of seasoning soaked in boiling oil, skeins of Lake Superior Iron, best of workmanship throughout makes the Studebaker the King of Wagons.
